PRODUCT INFORMATION SHEET

BROKIS

Name SHADOWS EXTERIOR

Type pendent lamp, outdoor lamp

ID PC1163

Description

The iconic Shadows collection by Lucie Koldova and Dan Yeffet is ready to illuminate exterior settings. Shadows is a take on the famed, timeless lights found in French ateliers, and its typology pays tribute to that legacy. Identical in appearance to the original Shadows, the collection complies with the IP54 rating for exterior use: the handmade wooden body used in the indoor lights has been replaced with a two-piece weatherproof dural body, its subtle form and finish accentuated by a recessed LED light source. Special integrated connectors developed by BROKIS make it easy to install the lights in large sets as well as maintain and clean them. The precision craftsmanship of master glassblowers gives the lights a distinctive, unequalled character and quality. The shades are made from multiple layers of molten glass, each of which is given careful attention before being blown into the mould. The Shadows collection comprises pendant lights in four shapes with a wide spectrum of colours. The lights can be arranged in diverse compositions based on the needs of the customer or used as solitary exterior lighting elements. The combination of handblown glass and classic shapes has given rise to lighting of unageing elegance whose singular ambience is no longer restricted to the interior.

Technical description

Identical in appearance to the original Shadows, the new collection complies with the IP54 rating for exterior use: the handmade wooden body used in the indoor lights has been replaced with a two-piece weatherproof dural body, its subtle form and finish accentuated by a recessed LED light source. Special integrated connectors developed by Brokis make it easy to install the lights in large sets as well as maintain and clean them. The precision craftsmanship of master glassblowers gives the lights a distinctive, unequalled character and quality. The shades are made from multiple layers of molten glass, each of which is given careful attention before being blown into the mould.

Glass Colour

transparent glass	A	CGC23
smoke grey - transparent glass	A	CGC516
smoke brown - transparent glass	A	CGC538
opaline - transparent glass	A	CGC38
triplex opal	A	CGC39
black opaque	A	CGC2933
pearl grey - opaline glass	A	CGC1916
olive green - transparent glass	A	CGC2738

Glass surface

glossy surface	A	CGSU66
acid-etched outside surface	A	CGSU67

Body finish

silver anodized	A	CCS1917
black anodized	A	CCS1948

Canopy

brushed stainless steel	A	CCSC974
metal - black matte powder coating	A	CCSC619
