PRODUCT INFORMATION SHEET

BROKIS

Name	TROTTOLA APPLIQUE S
Type	wall lamp, ceiling lamp
ID	PC1403

Description

Trottola is a collection of suspension and table lights whose shape elicit memories of a popular childhood toy – the spinning top. The aesthetics of the design are carried on an enchanting luminance that passes through an opal diffusor and opaline glass to reveal a playful contrast of shadows and light. The LED source, visible only from above, is housed in a base clad in pressed aluminium, which in turn is finished in an attractive and durable black anodize. Brightness can be adjusted with a simple turn of the elegant dimmer. Trottola offers two sizes of suspension and table lights in handblown opaline glass. The table variant is fitted with the innovative BROKIS connector, which makes it easy to disconnect the light and move it about the interior and also facilitates disassembly for maintenance. The collection has been expanded with a wall version called Trottola Applique, which can also be installed on the ceiling. As if by magic, the semi-transparent object comes to life with a gentle glow to reveal a fascinating playscape of shapes and shadows in the interior.

Technical description

The technologies used in production are based on several centuries of tradition and artisanal evolution. The precision crafting of handblown glass instils distinctive, enduring character and outstanding quality in all BROKIS products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mould. Up to 70% of the resulting quality is achieved in this stage of production. In the table version, an unique solution called Tunable White allows users to adjust the brightness and colour temperature of the light with a simple turn of elegant knobs. The table version is also fitted with a special connector developed by BROKIS that allows the light to be easily disconnected and moved from one place to another and also enables disassembly for cleaning and maintenance.

Glass Colour

opaline - transparent glass	A	CGC38
pearl grey - opaline glass	A	CGC1916
pearl brown - opaline glass	A	CGC3050

Glass surface

glossy surface	A	CGSU66
acid-etched both side surface	A	CGSU881

Body finish

silver anodized	A	CCS1917
black anodized	A	CCS1948

LED Source

DIM, 24V, LED, 9.4W, 2700K, 1070lm, RA90+	A	LEDS2869

Dimmable version

non-dimmable version	A	CEDV1457
DIM DALI version	A	CEDV1458
DIM CASAMBI CBU-PWM4	A	CEDV2854
DIM (TW) CASAMBI CBU-PWM4	A	CEDV2942
DIM (TW) DALI version	A	CEDV2944
