PRODUCT INFORMATION SHEET

BROKIS

Name WHISTLE SET SSM

Type pendent lamp

ID PC961

Description

The Whistle collection is, quite literally, a living reference to the work of glassmakers, as inspiration for the design was taken from the blowpipe, which in Czech is known as a glassmaker's whistle. The lucid body of the piece traces the silhouette of a cone of light, and a distinct spotlight with hand-pressed metal shield constitutes its imaginary heart. The overall shape and the naked cable winding its way up through the body of the light define the character of its simplistic technical form. The collection comprises a suspension light in two sizes as well as a set of three lights. From March 2018, Whistle is fitted with special integrated connectors developed by BROKIS to facilitate installation and cleaning.

Technical description

The craftsmanship applied in production follows in the centuries-old tradition and experience of master glassmakers. The precision crafting of hand-blown glass instills distinctive, enduring character and outstanding quality in all BROKIS products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mold. Up to 70% of the resulting quality is achieved in this stage of production. The metal reflector is manufactured through a unique metal stamping technique that has been proven over the course of millennia and involves spinning cold sheet metal on a rotating form. The history of this technology goes back to Celtic times. As with the glassmakers, the master metalworkers draw upon the tradition and experience that have been carefully passed down through the ages and give the final product exceptional added value.

Glass Colour

transparent glass	A	CGC23
smoke grey - transparent glass	A	CGC516
smoke brown - transparent glass	A	CGC538
opaline - transparent glass	A	CGC38

Glass surface

glossy surface	A	CGSU66

Body finish

metal - black matte powder coating	A	CCS846
metal - white matte powder coating	A	CCS845
grey	A	CCS720
copper	C	CCS584
brass	C	CCS69
chrome	C	CCS275

Canopy

metal - black matte powder coating	A	CCSC619
metal - white matte powder coating	A	CCSC618

Cable colour

textile cable - black	A	CECL519
textile cable - white	A	CECL521
textile cable - dark grey	A	CECL520
textile cable - light grey	A	CECL1918

Recommended Bulbs

230V, GX53, 10W, 2700K, 700lm, RA90, 100°, DIM	A	CEB717

Dimmable version

TRIAC - STANDARD OPTION	A	CEDV2865
CASAMBI CBU-TED	A	CEDV2855
