This stunning coffee table is an exquisite statement piece for either a modern or a classic living room. The linear silhouette of the wooden structure is underlined and decorated with the luxurious insert in brass, the precious material that is used for the feet ferrules as well to add the glamorous look to this item.

Questo splendido tavolino è un pezzo squisito, perfetto sia per un salotto classico che per uno contemporaneo. La silhouette lineare della struttura in legno è evidenziata ed impreziosita dai lussuosi inserti in ottone, materiale pregiato che ritroviamo anche sui puntali dei piedini.

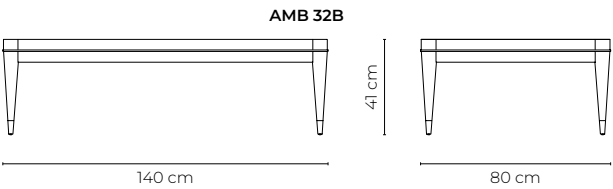

Этот изысканный журнальный стол идеально подойдет как для современной, так и для классической гостиной. Линейный силуэт деревянной структуры подчеркнут латунным профилем по периметру, эту же отделку мы видим на наконечниках ножек - матовая латунь придает изделию гламурный шик стиля ар-деко.
