

ECCENTRICO | Side table

Filippo Mambretti

ECCENTRICO is a nightstand with a refined and multifunctional design. Echoing the collection's iconic element—the sculptural leg with a semicylindrical cross-section—ECCENTRICO stands out for its versatility and its ability to adapt to a variety of living spaces. Thanks to its unique configuration and precisely calculated height, ECCENTRICO can be used in three different ways: as a bedside table, a side table next to a sofa, or, when needed, as a serving tray. Its asymmetric design and the perfect balance between full and open forms give ECCENTRICO a sculptural aesthetic that enhances the space with subtlety and elegance.

ECCENTRICO è un comodino dal design raffinato e multifunzionale. Riprendendo l'elemento iconico della collezione, la gamba scultorea a sezione semicilindrica, ECCENTRICO si distingue per la sua versatilità e la capacità di adattarsi a diversi contesti abitativi. Grazie alla sua configurazione unica e alla sua altezza studiata con precisione, ECCENTRICO può essere utilizzato in tre modalità differenti: come comodino accanto al letto, come tavolino da lato divano o, all'occorrenza, come vassoio d'appoggio. Il design asimmetrico e il perfetto bilanciamento tra pieni e vuoti donano a ECCENTRICO un'estetica scultorea che arricchisce lo spazio con discrezione ed eleganza.

ECCENTRICO – это изысканная и multifункциональная прикроватная тумбочка. Основываясь на культовом элементе коллекции, скульптурной ножке с полуцилиндрическим сечением, ECCENTRICO отличается своей универсальностью и способностью адаптироваться к различным интерьерным контекстам. Благодаря своей уникальной конфигурации и точно продуманной высоте, ECCENTRICO может использоваться в трех различных вариантах: в качестве прикроватной тумбочки рядом с кроватью, в качестве приставного столика со стороны дивана или, при необходимости, в качестве подноса. Асимметричный дизайн и идеальный баланс между заполненностью и пустотой придают ECCENTRICO скульптурную эстетику, которая незаметно и элегантно (украшает) пространство.
