FERRANDO

— Studio Galimberti • 2012 —

With its linear but soft shapes, this beautiful console will be a refined touch for an entrance hall, giving an elegant tone to the house. The satin brass of its sinuous base and thin legs, raise and highlight the brass frame, which welcomes and protects the top in precious natural marble. The charming appearance of this piece will donate a sophisticated elegance and timeless style to any environment.

Con le sue forme lineari ma morbide, questa splendida consolle sarà un tocco raffinato per una zona ingresso, dando un tono elegante alla casa. L'ottone satinato della sua base sinuosa e delle sottili gambe, innalzano ed evidenziano il telaio, anch'esso in ottone satinato, che accoglie e protegge il piano in prezioso marmo naturale. L'aspetto carico di fascino di questo pezzo regalerà una raffinatezza sofisticata e stile senza tempo ad ogni ambiente.

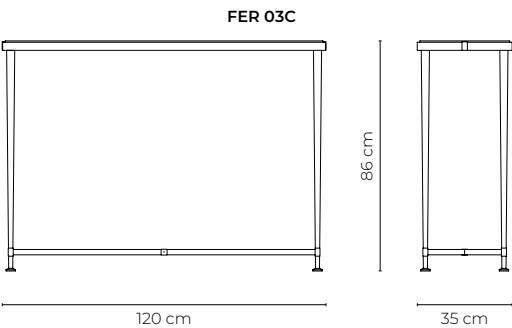

Благодаря своим линейным и в тоже время плавным формам, эта великолепная консоль станет изысканным дополнением к входной зоне, задавая дому элегантный тон. Тонкая структура из матовой латуни элегантно подчеркивает и обрамляет столешницу из натурального мрамора. Элегантный и неповторимый образ этого изделия подарит изысканность и стиль вне времени любому интерьеру.
