

# HASHI | Bed

Amaranto Interior

With its solid wood frame and softly contoured upholstered headboard, the HASHI bed embodies a dialogue between solidity and lightness. The design is inspired by Japanese aesthetics, reinterpreted with a contemporary twist: minimal yet expressive, grounded yet airy. The HASHI bed inhabits the space with natural grace and character, inviting rest and reflection, while conveying a timeless sense of harmony.

Con la sua struttura in legno massello e la testata imbottita dalle linee morbide, il letto HASHI incarna un dialogo tra solidità e leggerezza.

Il design si ispira all'estetica giapponese, reinterpretata in chiave contemporanea: minimale ma espressivo, radicato ma leggero. Il letto HASHI abita lo spazio con naturalezza e carattere, invitando al riposo, alla riflessione, e trasmettendo un'armonia senza tempo.

Кровать Hashi с каркасом из массива дерева и тканевым изголовьем с мягкими линиями воплощает в себе диалог между прочностью и легкостью.

Дизайн вдохновлен японской эстетикой, переосмысленной в современном ключе: минималистичный, но выразительный, заземленный, но легкий.

Кровать Hashi наполняет пространство естественностью и характером, приглашая к отдыху, размышлениям и передавая вечную гармонию.
