

TALLO | Side table

Studio Galimberti · 2019

Striking and unique, the playful design of this side table is also its very functional aspect, which allows it to come close to a bed, sofa or armchair becoming a perfect companion for relaxing times spent reading a book or lounging with a drink.

Sorprendente e unico, il design giocoso di questo tavolino è anche il suo aspetto molto funzionale, che gli permette di avvicinarsi a un letto, un divano o una poltrona diventando un compagno perfetto per trascorrere momenti di relax leggendo un libro o rilassandosi con un drink.

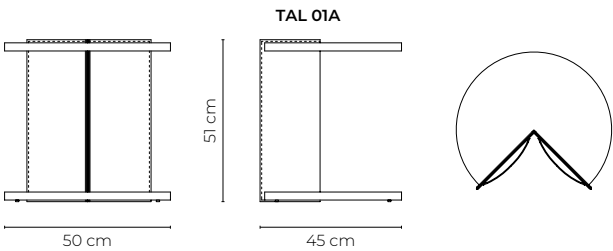

Удивительный и уникальный, игривый дизайн этого столика в его многофункциональности, которая позволяет использовать его как в качестве прикроватного, так и около дивана или кресла, и в этом случае он будет незаменимым компаньоном для момента отдыха с хорошей книгой или паузы со стаканом прохладного напитка.
