

GARDA

MC Lab - 2019

DESCRIPTION

Charm, originality and a refined soul. The Garda collection is slender and original: the ribbed profile is its distinctive trait, as are the particularly slender legs that contrast with the larger, more welcoming container. A hypnotic motif the one of the Garda console that enhances the beauty of wood and the purity of its essence: an elegance that is easy to exalt with the choice of vintage colors for the container, to be combined with the legs in metal which are more modern.

DESCRIZIONE

Charme, originalità e raffinatezza. La collezione Garda è slanciata e originale: il profilo canettato è il suo tratto distintivo, così come le gambe particolarmente snelle in contrasto rispetto al contenitore più ampio e accogliente. Un motivo ipnotico che esalta la bellezza del legno e la purezza della sua essenza: un'eleganza facile da esaltare con la scelta di colori vintage per il contenitore, da abbinare al più moderno metallo per le gambe.

DESCRIZIONE TECNICA

Tipologia

Credenza

Struttura esterna

Pannello di fibra a media densità laccato opaco
