

LIBERTY

MC Lab - 2016

DESCRIPTION

Cute and refined, Liberty is the essence of comfort designed to become accessory and decoration - perfect to fit with harmony in residential and hospitality contexts - becoming the absolute protagonist. The Liberty collection brings together a series of seats united by the same DNA, at first sight distinguishable by a mix of classic and contemporary features. The slim line of the legs, made of solid wood, suits the curved backrest, finely upholstered and shaped. The Liberty chair is available in three versions: with high back and high back with armrests. To complete the family, also the stool has been added.

DESCRIZIONE

Sfiziosa e ricercata, Liberty è comfort pensato per divenire accessorio e decorazione - perfetta per inserirsi armoniosamente in contesti residenziali e di hospitality - diventandone assoluta protagonista. La collezione Liberty raggruppa una serie di sedute accomunate dallo stesso DNA, in cui si distingue a prima vista un mix di tratti classici e contemporanei. La linea snella delle gambe, realizzate in massello, ben si sposa con uno schienale curvato finemente imbottito e sagomato. La sedia Liberty è disponibile in due versioni: con schienale alto e con schienale alto con braccioli. A completare la famiglia si è aggiunto infine lo sgabello.
