DESCRIPTION

Stelvio is a harmonious encounter of form, material, and inspiration. Its softly contoured top draws the eye with elegance and invites touch. In marble or wood, it comes to life—unique, expressive, authentic. The legs, available in wood, lacquered finishes, or leather-wrapped, become refined accents that speak different design languages—from warmer, more tactile expressions to a more sophisticated mood. Stelvio is a table designed to furnish with balance and personality, fitting seamlessly into a variety of settings.
